The recruitment of SETU PhD scholarships is not fully complete and while it is acknowledged that postgraduate students now need to be paid for teaching hours, in alignment with national norms and best practice, the operational issue of how these hours are allocated on SETU systems needs to be addressed.

**NOTED:** The Chairperson thanked Dr. Tom O'Toole and his team for the robust application to TU-RISE which was submitted last week.

**NOTED:** Dr. Paul O’Leary, Dr. Yvonne Kavanagh, Dr. Gina Noonan and Dr. Fintan Bracken joined the meeting and Dr. O’Leary gave a presentation on the Student Survey and the iSAID project. iSaid uses dashboards to action and embed findings from the national StudentSurvey.ie within SETU.

- Student Feedback and Engagement would be a standing item on the Student Experience Committee agenda.
- The SETU StudentSurvey.ie dashboards would be demonstrated to Heads of Faculty/School/Department and programme leaders as part of an initial plenary session and direct access to the dashboards for these staff would be organised following the demonstration. It is envisaged that access to the dashboards will be provided during this semester.
- SETU Students’ Union would be invited to an initial demonstration of the SETU StudentSurvey.ie dashboards to discuss the StudentSurvey.ie results and to explore how feedback from the survey can be used to make positive changes for students.

**NOTED:** Members queried the length of the survey and felt that participation in the survey fell when the length of the survey was increased. Members also suggested that the student experience in its totality needs to be included in the survey. Dr. O’Leary advised members that he is on the National Steering Group for the questionnaire and invited members to provide feedback on the questions.

**AGREED:** Student Feedback and Engagement to be a standing item on the Student Experience Committee agenda.

**AGREED:** The Chairperson acknowledged that the documentation was circulated late and that members will not have had sufficient time to consider the data. In light of this it was agreed that the Student Survey should be placed on the agenda for the next Academic Council meeting and the full questionnaire be made available to members.

**NOTED:** The Chairperson thanked Drs O’Leary, Kavanagh, Noonan and Bracken and they left the meeting.

## 8. Academic Delivery Framework

**NOTED:** Document “*Terms of Reference and Membership of Working Group*” was circulated to all members prior to this meeting.

- Mi-Voice will create an online nomination site, conduct the online ballot and counting and will report the results
- The elections are planned to take place in early December 2023 – dates and timelines leading up to and after this to be finalised (notice of election, register of electors, nominations, period of elections, date of announcement)
- New Academic Council to be established in January 2024

**NOTED:** The role of the current Academic Council was also discussed and it was noted there is a need to engage with SETU staff to communicate the new Academic Council processes and to promote interest in Academic Council.

**NOTED:** Chairperson thanked Dr. O'Riordan and he left the meeting.

### **14 A.O.B**

**NOTED:** A member raised a concern about the timing of the release of repeat examination results and it was agreed that this would be considered in the context of the Academic Delivery Framework.
