

About the job:

As part of our ongoing expansion, MTS—Ireland's fastest growing supplier of laboratory services to the construction sector—is seeking talented professionals to join our dynamic team. We are hiring for multiple roles to support our operations in Carlow and across various nationwide sites.

This is an exciting opportunity to work with a forward-thinking company dedicated to innovation, precision, and excellence in construction material testing.

Positions available:

- Laboratory Technicians
- Field Technicians
- Civil / Construction Engineers

Responsibilities:

- Uphold Health & Safety standards, leading by example to ensure a safe working environment.
- Prepare and test material specimens to meet rigorous testing standards.
- Perform standardised testing on construction sites.
- Maintain strict adherence to quality control and technical procedures.
- Contribute to general housekeeping and upkeep of workspaces.
- Reporting test data.

Qualifications & Experience for Technicians:

- Prior experience in a similar role is advantageous but not essential.
- Proven ability to excel in roles requiring meticulous attention to detail.
- This is a technical, quality driven role, and candidates must demonstrate reliability, discipline and conscientiousness.
- A full drivers license is required for field technicians.

Qualifications & Experience for Engineers:

- A bachelor's degree in Engineering, Science, or Materials Science (Postgraduate qualifications are also welcomed).
- Demonstrated experience in quality-focused roles requiring high levels of precision and discipline.
- Previous experience in a similar role is an asset but not a necessity.

Skills & Abilities:

- Strong time management and organizational skills.
- Effective communicator with the ability to resolve recurring challenges efficiently.
- A team – oriented individual with excellent interpersonal abilities.

Character & Personal Qualities:

- Dependable, detail oriented, and trustworthy.
- An enthusiastic problem-solver with a proactive and positive attitude
- Dedicated to personal and professional development, with a focus on continual improvement in efficiency and quality.

MTS offers a supportive and growth-focused environment where employees are empowered to develop their skills and make meaningful contributions. If you are passionate about precision and innovation, and you're ready to be part of Ireland's fastest-growing team in the construction sector, we'd love to hear from you.
