Science		
Certificate in Industrial Microbiology and Biopharmaceuticals - Carlow - 10 Credits	€1,000.00	

SETU Springboard and HCI Pillar1 Courses 2024/25

Springboard and HCI Fee Levels Fees

Springboard and HCI (Human Capital Initiative) higher education courses are highly subsidised by government to provide skills needed in the Irish economy. Courses are 90% funded for employed people - the candidate directly pays themselves the remaining 10% of the course fee - the fees shown below equate to this 10% and this is the full course fee payable by candidates.

People on many types of social welfare payments, and people returning to the workplace, may be entitled to free places on these courses.

Please see more at www.springboardcourses.ie/eligibility

Proofs of Eligibility - Absolutely Required or No Place

Springboard funding is only open to people permanently resident in the Republic of Ireland and with residency rights to live and work in Ireland.

All applicants with no exceptions will be required to supply documents proving their residency and proofs of employment status.

Irish residents who are not eligible for Springboard

An example would be people who have not resided full time in Ireland for 3 out of the last 5 years.

SETU may be able to offer these candidates a place on one of the courses below at the full-fee rate subject to capacity - contact SETU for more information.

International Candidates

SETU may be able to offer these candidates a place on one of the courses below at the full-fee international fee rate subject to capacity - contact SETU for more information.

CW = Carlow / WD = Waterford / WW = Wicklow / WX = Wexford
