

Information Morning

Thursday 6th March 2025

Level 6: Certificate in Applied Skills Development Programme

SETU Department of Nursing and Health Care are delighted to announce an additional new one year course programme specifically designed for people

with a mild intellectual disability.

- **Programme Information:**
Level 6: Certificate in Applied Skills Development - one year programme
- **Date & Time:**
11 am. on Thursday the 6th of March 2025
- **Venue:** SETU Auditorium, Main Entrance, Cork Road Campus, SETU Waterford, X91 K0EK.

Who should attend:

People with an intellectual disability who are interested in this course and Service Providers. Potential students are welcomed to bring a family member or person in their circle of support.

Programme Commences:

September 2025

PROGRAMME OUTLINE

Semester 1

- Communication Skills

Semester 2

- Physical Health & Wellbeing

Both semesters will emphasis developing students workability skills and career preparation, with optional work placement opportunities available.

Please feel free to distribute or forward this invitation onto other relevant service providers in the area and the appropriate personnel in each service provider location.

We look forward to meeting you all on
06/03/2025

If you have further queries please contact the Programme Leader Dr Catherine Kelly-Mason (Catherine.Kelly-Mason@setu.ie) or Cathy Pembroke (Cathy.Pembroke@setu.ie)
