

Little Stars Childcare

At Little Stars Childcare we are in the privileged position of sharing the care of children. We provide high quality, flexible, affordable childcare. Our purpose-built crèche and montessori is bright and spacious providing the perfect environment for little stars.

From 1 year old to after school children, we make the individual and developmental needs of each and every child attending the crèche our first priority. We provide high quality child centered care which will extend and enrich the child's development and learning, stimulate their curiosity, encourage independence and promote a sense of belonging.

We are currently looking for an:

Early Years Practitioner
